Overview

AirSmart Home monitors temperature and humidity in real time, helping you maintain a safe and comfortable indoor environment for your family. Its high-resolution display gives you an easy-to-read snapshot of your home's conditions, while Wi-Fi connectivity lets you access your data anytime via the Monkeytronics app.

In Aotearoa New Zealand, cold and damp homes are a leading cause of health issues. AirSmart Home helps you take control.

Installation

Installing your AirSmart Home is simple. Follow these steps using the Monkeytronics mobile app.

- ① Scan QR Code
- ② Customise your device
- ③ Configure Wi-Fi

Installation is completed via the Monkeytronics mobile app; please ensure Bluetooth and camera access are enabled before getting started.

Accuracy

🌡 Temperature¹
± 0.2 °C

💧 Humidity
± 2 %

Specs

Dimensions	11.1 cm × 6.2 cm × 2.7 cm
------------	---------------------------
